Cure of Disease Without Medicine

Based on new theories of the cause and cure of disease, dealing with the electrical and magnetic forces of the body and the gases surrounding it, and the atmosphere, controlling these conditions by the use of electricity.

It is a simple, impalpable vitality. The disease constantly adds to the vitality and the vitality adds to the disease. It is a new method of cure, in nature's way, to throw the vitality into the system. Nothing is easier of proof than the fact that the cure is made by the use of the known means of electricity.

ALL CASES of all kinds are cured in a few days.

With the intelligence and perseverance desired in the use of this method of medication works in all CHRONIC CASES.

It is an inexhaustible home treatment. The patients from people YOU KNOW.

Good Templars

[Reported for the Alexandria Gazette.]

District Lodge No. 13 held its quarterly session at Vienna in Fairfax county on Wednesday. The following lodges of the district were represented by about 100 delegates and visitors, viz: Pioneer, Providence, Fannie Bowman Memorial, Arlington Hill, Keystone, Golden Light, Tallman, Blair, Star, Clifton and Wide Awake. District Chief Templar J. F. Birrell, of this city, presided with Mrs. L. B. Statz as District Secretary. The district lodge degree was conferred upon 24 delegates. The reports of the District Chief Templar, District Secretary, District Treasurer, and District Superintendent of Juvenile Templars were submitted showing the condition of the different departments of the work. The reports gave encouraging information of the work and state of finances. Three new lodges have been instituted since the last meeting of the district lodge and one temple. The reports of the committee on state of the order and finance were made at the afternoon session and important recommendations were made on same, which after discussion were adopted. Among other recommendations were the holding of a grand bush meeting at Grange Camp, if suitable and satisfactory arrangements can be made with the authorities of the camp association. The executive committee were given power to negotiate for same. The committee are to secure the services of Col. J. J. Hickman, of Kentucky, for the bush meeting if possible. It was also voted to secure Col. Hickman for a lecture at Manassas. It was also decided to repeat the excursion to Colonial Beach so successfully conducted last year, and Messrs. George W. Hawhurst, Geo. H. Hayden and E. J. Stuart were appointed to make all necessary arrangements. The executive committee were directed to expend the funds in the treasury in the lecture work of the district at once. The office of district lodge deputy was created and the executive committee instructed to select a member in each lodge in the jurisdiction to fill the same.

A very handsome silk banner was presented to the District Lodge by Tallman lodge of this city, to be awarded at each session to the lodge that secures the largest number of initiations during each quarter. The banner is the handwork of Miss Hattie Beatty, of this city and is beautiful in design and work. The lettering on same was done by Mr. James H. Deaton. The presentation address was made by Mr. Edward Taylor, of Tallman Lodge and accepted for District Lodge by D. C. T. J. F. Birrell. A vote of thanks was tendered to Tallman Lodge for the generous gift. D. C. T. Birrell in this connection offered a gold Good Templar's pin to the member of the order securing the largest number of candidates for membership during the quarter, to be presented at the next session. Fairfax C. H. was selected as the next place of meeting. The District Lodge was handsomely entertained by Fannie Bowman Memorial Lodge, a bountiful supper being provided. At night a large meeting of the members of the local lodge was held and a fine programme of exercises rendered by the talent of the lodge. Most of the delegates from this city remained over and returned next morning well pleased with their trip. The delegates from this city were E. L. Coakley, G. H. Hayden, J. F. Glover, Nathaniel Boush, J. H. Hayden, Edward Taylor, J. F. Birrell, Miss Annie Lucas, Miss Flora Hantzmon, Mrs. Barton, Mrs. Mary Markham and Miss Hattie Beatty.

THE CIRCUS—The circus that has just left Kittingan, Pa., almost paralyzed the town. Attorneys, jurors, witnesses, court officials, and litigants attended the circus to such an extent that Judge Wyckham, on looking at the empty benches, remarked to the court clerk: "Well, this is the clearest case of desertion that has ever been before me. Adjourn this court until to-morrow morning." The gamblers took all the loose money in the place, a young girl was assaulted, and a number of fights occurred.

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons' Liver Regulator, promptly and effectively move the liver's action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."

BRISTOL, TENNESSEE.

The Progressive South

Where JOHN H. INMAN, President of the Richmond Terminal, says the next large development is to be. "The South is the favored spot of the whole United States; and is the great field for immigration when we can get it, and the place for happy and comfortable homes. I expect the next large development to be in the Bristol district—Bristol and East Tennessee section, which has practically the same natural advantages as Birmingham, but which have never been worked up. This section will grow rapidly within the next few years. The railroad facilities are good now, and are being improved all the time."

BRISTOL, TENN.

Is in a country richer in coal and iron than any single State in America. It is a solid city, backed by unlimited resources in great variety, and is being pushed to the fore by a well-organized, systematically-working Chamber of Commerce. The outlook is favorable for Bristol to become the Pittsburgh of the South. Address CHAMBER OF COMMERCE.
